2010 SCALA Artist Scholar Award

Suffolk County High School Art Departments,

In May, SCALA will select one outstanding senior artist to be the recipient of the 2010 SCALA Artist Scholar Award. We are asking each participating high school art department to select one senior art student candidate for this award. This award will be accompanied by a \$300 scholarship. Only SCALA institutional members can nominate a student to receive this award.

Award Criteria:

- High School Senior Art Major
- Continuing their art education at university, college, or art school
- Demonstrates outstanding leadership qualities
- Displays school and community service
- Maintains G.P.A. of 3.0 or above on a 4.0 scale (*transcripts must be attached to application*)
- Two written recommendations: one by art teacher, one by community member
- A list of art shows entered
- A list of awards and accolades received

Essay:

The essay is the student's autobiographical artist "statement". Included the following:

- How and why visual art has become your creative expression of choice
- Why art has been chosen as your vocation
- How your artistic talent contributes to the school and community
- The essay is limited to two pages typed, double spaced.

Portfolio:

Each applicant must submit a digital portfolio in CD form, consisting of 10 pieces of original artwork. The portfolio should demonstrate the student's knowledge of the principles of design and include work in various media. Five digital photos should represent the student's growth and development towards the mastery of a particular medium and exhibit the student's strength in communicating his or her individual ideas. Students name and phone number must be written on the CD.

The application packet including, completed application, essay, transcripts, portfolio, and two recommendations must be postmarked by May 8, 2010 and mailed to:
